Dear New Patient,

Your health is important and we are proud that you have trusted us with the opportunity to care for you. We look forward to a long-term relationship with you to meet your special health care needs as a woman.

Eastside Gynecology-Obstetrics has been providing the highest quality women's healthcare services geared to each individual's needs for generations. From general gynecology and obstetrics, to menopausal issues, high-risk obstetrics, urinary problems, infertility, to screening for gynecological cancers, we maintain a commitment to caring personalized attention. Our physicians are university trained, and are on staff at Beaumont Hospital of Grosse Pointe, Henry Ford, and St. John Hospitals.

We offer the services of Certified Nurse Midwives. Our Midwives provide family centered care, supporting women throughout the pregnancy journey in a low intervention setting.

Our Skin Care & Laser Center features the latest technology, highest quality skin care products, highest level of service and care to both women and men. Our highly-trained staff of registered nurses and medical aestheticians is dedicated to caring for your needs.

Our entire staff is available to assist you. Please contact us if you have any questions, prior to your visit.

If you cannot keep an appointment, please contact us at least 24 hours in advance. This courtesy allows us to give that appointment to another patient. If you do not cancel prior to 24 hours, there may be a charge. Simply call the office ahead of time to inform the staff and re-schedule your appointment if desired.

We look forward to serving you.

**Nurturing the spirit and health of women
for over 40 years.**

Your care is directed by physicians who participate in Patient Centered Medical Home.

PATIENT SPECIALIST PARTNERSHIP AGREEMENT**

Our goal is to provide you with the best care possible. This can happen by using us as your Patient Centered Specialty Care doctor. We work with your Primary Care doctor to help you feel better. Below are some important things to remember:

PATIENTS Please:

- Make and keep all appointments with our office and with your Primary Care doctor.
- If you must cancel an appointment, make another one right away.
- Ask questions.
- Follow the plan we talked about during your appointment.
- If you are not able to follow the plan for any reason, tell us right away so we can help you set up another plan so you get the best results.

SPECIALIST DOCTOR:

- We will ask you who your Primary Care doctor is. We will let him/her know about your care.
- We will talk with you about your health and what you need to do to take care of yourself.
- We will talk to you by phone and in the office to answer your questions.
- We will share information about your plan and goals with your Primary Care doctor.
- We will give you information; help you to learn how to take care of yourself, and help you to set goals to improve your health.
- We will work with you to set up a plan to help you take care of your health.
