

Dear Eastside Gynecology and Obstetrics Patient:

Our goal is at Eastside Gynecology and Obstetrics, P.C. is to provide you with the most efficient service possible. In order to achieve this, we need to effectively manage the volume of our patients who come into our office without a scheduled appointment.

To serve you more efficiently, we are pre-scheduling arrival time for:

- Injections
- Possible Urinary Tract Infections

You must call the office first before coming for:

- Prescription refills
- Test results
- Medical questions
- Pick-up medical records
- Stitches removed

Thank you for your cooperation. We are proud you have chosen Eastside Gynecology and Obstetrics, P.C. to meet your special health care needs. We look forward to providing you with quality, individualized care.

Thank you,
Eastside Gynecology and Obstetrics, P.C.
